<u>Summary of Communication:</u> <p>Called: I received a phone message from Beth to call Joel Ellis of Eagle Grove, Iowa at 515-293-1670. I called Joel Ellis back and he proceeded to tell me about possible illegal dumping of fly ash. He stated that AG Processing Plant has a private electrical generating plant on site. The plant produces a waste of fly ash. This fly ash is pickup by Lund Construction Company and dispose of. He stated that Lund Construction also dispose fly ash for an ethanol plant Corn LP in Goldfield, Iowa. He stated that Lund Construction would pick up and store the fly ash on their land located on 250th street just before you cross the river.
